

**REMARKS**

Claims 1-21 were considered in the Office Action. Claims 1-3, 8-12, and 17-21 were rejected. Claims 4-7 and 13-16 were indicated as being allowable, but were objected to as being based on a rejected claim.

Herein, claims 1-3, 10, 12, 18, 19 and 21 are cancelled, claims 4, 5, 7, 8, 9, 11, 13, 14, 16, 17, and 20 are amended, and claims 22-29 are added. No new matter is added.

In accordance with the indication of allowability, claims 4, 5, 7, 14, and 16 are rewritten in independent form, and are submitted to be allowable. Claims 6, 8-10, and 17-20 depend from one of the rewritten independent claims, and also are submitted to be allowable.

Claim 11 is amended to include "a first cooling structure . . ." similar to that of allowable claim 3, and therefore is submitted to be allowable.

Claim 19 is amended to correct an error, so as to match claim 10.

New claim 22 also includes "a first cooling structure . . ." similar to that of allowable claim 3, and therefore is submitted to be allowable. New claims 23-29 depend from claim 22 and also are submitted to be allowable.

Accordingly, allowance of the application is requested. The Examiner is invited to call the undersigned at (408) 941-7353 with any questions or comments, and especially if a conference might expedite allowance of the application.

Respectfully submitted,

Dated: December 16, 2005
